

**TOWN OF RICO
RESOLUTION NO. 2002-1**

**RENAMING A PORTION OF GLASGOW AVENUE
AND A PORTION OF RIVER STREET**

WHEREAS, the Board of Trustees of the Town of Rico approved the Silver Glance Subdivision, Filings 1 and 2, which included a portion of the Glasgow Avenue and River Street rights-of-way; and,

WHEREAS, the Board of Trustees finds that Glasgow Avenue is commonly considered to the Main Street area of Highway 145 in Rico and the River Street right-of-way is disconnected and separated by the Highway 145 and that renaming the Silverglance Subdivision area of these streets will avoid confusion, especially for emergency response, and will thereby promote the health, safety and general welfare of the Town of Rico;

NOW, THEREFORE, be it resolved by the Board of Trustees, that the Town of Rico hereby renames that portion of Glasgow Avenue and River Street in the Silverglance Subdivision as "Silverglance Way" as such area is depicted on the attached Street map.

Resolution read, approved and adopted this 16th day of January, 2002.
