

**TOWN OF RICO
RESOLUTION NO. 2003-5**

ADOPTING A STREET AND ADDRESS SYSTEM

WHEREAS, the Town of Rico has never adopted a comprehensive street and address system and the Board of Trustees finds that the adoption of a street and address system will promote timely emergency response as well as the orderly and efficient designation of street addresses for existing and future development and will thereby promote the health, safety and general welfare of the Rico community; and,

WHEREAS, Colorado Revised Statutes §31-15-702(1)(a)(VIII) grants authority to municipalities "To regulate the number of houses and lots and to name and change the name of any street or other public place," and Rico has general police power authority as a municipality and under the Rico Home Rule Charter;

NOW, THEREFORE, be it resolved by the Board of Trustees, the following:

The attached Street Address System is hereby adopted as the official Street Address System for the Town of Rico.
